FROM: Walt Pettit

EXECUTIVE OFFICE

DATE: **MARCH 19 1998**

SUBJECT: **BAY-DELTA WATER RIGHT HEARING PROCESS**

At the February 20, 1998 Bay-Delta Advisory Council meeting questions arose related to the rescheduling of the State Water Resources Control Board's San Francisco Bay-Delta Water Right proceeding. I addressed these issues and committed to keep you and BDAC up-to-date on the Board's Bay-Delta water right process. Attached is a March 19 letter from Chairman John Caffrey to John Garamendi related to the Board's Bay-Delta water right process. You might want to share this memo with members of BDAC as an update of this process and further clarification of the issues discussed in February.
